9. First Vice: Motion to accept Minutes for August 4, 2020. Motion seconded and approved.

### **New Business:**

10.

a. First Vice Cdmr Coleman went with excavator and staked out exact location, and Greg Parisi is looking at Thursday or Friday to begin digging the flagpole hole. The Canfield Public Works department will move pole sleeve from fire dept on Herbert Road to hole. Concrete will be delivered by Carl Zuck (R.W. Sidney concrete) when the time comes. Protection has to be provided over hole until concrete can be poured. After pour and pole installation should wait full 28 days for cement to set. Then we can raise flag and have dedication.

b. Last month we discussed calling members - Cmdr Kubitza has roster but have not sorted it out yet.

c. Report on BBS 2020-2021. Two notices were sent to students - one responded that he plans to attend, one said he will not be attending, three have not responded yet. They have until September 15 to respond.

d. 50 members out of 95 have paid their dues. Post is at 52%. Will probably need about 8 members to replace those who have passed away.

e. Spoke to Bernie Kosar and he is doing well and had no pain due to open heart surgery.

f. Post member Chad Less, who was hit by a car a few weeks ago while waiting to cross Rt 165 on his bicycle, is improving. Has pain in the knee and shoulder (collar bone).
